A Straight Party vote is a vote for all candidates of that party in partisan offices. Individual partisan office selections are not necessary if you select a Straight Party below.

You may select a Straight Party AND ALSO vote for a candidate of a different party in any individual office.

In any multi-seat race, a Straight Party vote is a vote for ALL candidates of that party. If you individually vote for any candidate in a multi-seat race, you must also individually select all other candidates in that race for whom you wish to vote in order for your vote to count.

If you do not select a Straight Party below, you may vote by marking each office separately.

A Straight Party vote does not vote for US President and Vice President, unaffiliated candidates, or nonpartisan offices, issues or referenda.
